WHAT: REPLACE JOINT SEAL ASSEMBLY

WHEN: BEGINS TUESDAY, NOVEMBER 15, 2011

WHERE: STATE ROUTE 91 AT INTERSTATE 15 IN CORONA

Caltrans construction will begin a project to replace joint seal assemblies on the connector ramps on State Route 91 (SR 91) at Interstate 15 (I-15) in Corona. The work will require closure of the eastbound SR 91 connectors to both north and southbound I-15 Monday through Friday from 11:00 p.m. to 5:00 a.m. The eastbound I-15 on ramp at Main Street will also be closed during these hours.

Detours will be available at McKinley with CHP presence. Motorists are advised to plan ahead to make time for delays or take an alternate route such as SR 60.

The work is expected to be completed in the beginning of December 2011. Closures will not take place over the Thanksgiving holiday weekend.

Please remember to move over and slow down – the life you save may be your own.
